

The future of communications

LED FORECOURT DISPLAYS

For instant information with immediate impact, Scanlite's LED Forecourt Display Systems provide a modern, reliable system for communicating changing pricing information to customers.

Built to customer specifications, the Forecourt Display system allows you to change information instantly, at the touch of a button without having to open or manipulate the sign. Easy to install, operate and maintain, this system is the brightest way to keep your customers informed and up to date.

- Built to specification
- Vibrant LED displays to attract attention
- Simple installation
- Remote control via keypad, PC networks or wireless communication
- Low maintenance
- Fully supported
